Career Objective :

Currently as a Mern Stack Developer I am aspiring to be Full Stack Developer with strong expertise in web and mobile app development. Eager to apply technical, problem-solving, and leadership skills in a collaborative environment to build impactful solutions.

Education :

- **B. Tech in Computer Science and Engineering (2022–2026) – 9.86 CGPA** , Brahmdevdada Mane Institute of Technology, Solapur
- **HSC**, Walchand College of Arts and Science, Solapur (2022)
- **SSC**, Arihant English Medium School, Solapur (2020)

Technical Skills :

- **Programming Languages:** Java (Intermediate) , JavaScript (Advanced)
- **Web Development:** React.js, Tailwind CSS, NodeJs , Express JS, HTML, CSS
- **Mobile Development:** React Native, Android Development
- **Databases:** MongoDB, MySQL
- **Tools :** Git/GitHub , Vercel , Render, Google Console, Google Maps APIs, Firebase
- **Other Skills:** Problem-solving, Logical Reasoning, Public Speaking, Team Leadership

Projects :

- **ShareMyRide (SMR)** : A React Native and Mern Stack based project for a perfect and secure platform for Ride sharing for cost effective travelling in inter and intra city by local peoples with their own empty seats vehicles.
- **AI Chatbot** : Developed an AI-powered chatbot that understands and responds to user queries intelligently. Integrated an AI Tool Api into it.
- **SignatureCollageGenrator** : A platform used to convert your photo into collage of signatures.
- **Spotify Web Clone** : Built a web application replicating Spotify's core features of UI

Internship Experience :

SMIT – Solapurmall Information Tech Pvt. Ltd. (2 Months)

- SolapurMall A Complete Web Directory

A Website that represents almost 5000+ Firm listings of the Solapur areawise. Used React.js, Spring Boot, and MySQL to **Redesign** it newly using the existing old website. Fully deployed on their github which is now Live on <https://solapurmall.com/env>

- PrintAnywhere App – BackEnd Developer

A Web interface of an APP that lets you print with just one click. Used React.js, Spring Boot, and MySQL. Got hands-on with integration and learned a ton about where bugs can hide in Big Modules of projects. And handled the whole integration of the backend using Springboot.

Extracurricular Activities :

- Participated in **Avishkar** Twice (2024 & 2025) with innovative tech project Ideas **AI Tut** and **DTC- Data through Call** respectively
- Participated in Round I of **DIPEX 2025** (District Level Project Exhibition)
- Submitted **Smart India Hackathon (SIH)** project proposal via PowerPoint on **Smart Education**
- Hosted technical and cultural college events showcasing **public speaking** and event **management skills**.
- **Chess:** Won Gold (2024) and Silver (2025) at the college-level championships.

Leadership Experience :

- Spearheaded technical presentations and Cultural Fests, promoting collaboration and enhancing leadership experience.
- Hosted an Internal college hackathon (**Code-Battle-Hackathon**) of around 1000 students.
