Career Objective

Currently as a **Mern Stack Developer** I am aspiring to be **Full Stack Developer** with strong expertise in web and mobile app development. Eager to apply technical, problem-solving, and leadership skills in a collaborative environment to build impactful solutions.

Education

B. Tech in Computer Science and Engineering (2022–2026) {all time **topper with 10 cgpa**, highest percentage = **92%**}
Brahmdevdada Mane Institute of Technology, Solapur
HSC – Walchand College of Arts and Science, Solapur (2022)
SSC – Arihant English Medium School, Solapur (2020)

Technical Skills

- **Programming Languages:** Java , Python, JavaScript (Advanced)
- **Web Development:** React.js, Node.js, HTML, CSS
- **Mobile Development:** React Native, Android Development
- **Databases:** MongoDB, MySQL
- **Version Control:** Git/GitHub
- **Other Skills:** Problem-solving, Logical Reasoning, Public Speaking, Team Leadership

Projects

SMR(ShareMyRide): A Mern Stack based project for a perfect and secure platform for Ride sharing for cost effective travelling in inter and intra city by local peoples with their own empty seats vehicles.**(Work in Progress)**

AI Chatbot (React.js): Developed an AI-powered chatbot that understands and responds to user queries intelligently. Integrated an **AI Tools Api** into it.

Spotify Web Clone: Built a web application replicating Spotify's core features and UI.

Supermall: Created a basic e-commerce platform to display and manage product listings.

To-Do List App: Designed a task management system supporting task CRUD operations.

Simon Says Game: Developed a memory-based interactive game using JavaScript.

Extracurricular Activities

• Participated in *Avishkar (2024 & 2025)* with innovative tech projects.
• Submitted *Smart India Hackathon (SIH)* project proposal via PowerPoint.
• Hosted technical and cultural college events showcasing public speaking and *event management skills.*
• **Chess:** *Won Gold (2024) and Silver (2025)* at the college-level championships.

Leadership Experience

• Spearheaded technical presentations and Cultural Fests, promoting collaboration and enhancing leadership experience.
• Hosted an Internal college hackathon **(Name: Code-Battle-Hackathon)** of around 1000 students.
